Silverpaw's POV

I was hunting when I heard cats coming. I ran back to camp and yelled "THUNDERCLAN IS COMING!!" Everybody looked at me and got ready for battle. We walked to the forest and saw Thunderclan waiting for us. I saw Firepaw hiding behind one of them and everybody started battling I ran for a cat and pounced on it. I unsheathe me claws and dig them in it's hind. My clan started perishing and I saw Firepaw fighting Tawnypt. I picked up the cat by the scruff and sling it away. Some of my clan were injured I took a step back realizing we were losing. *'Please help us Starclan my clan is about to parish and loose some of our clan mates. I'm begging you please help me and my clan.'* I prayed. I felt the presence of Starclan and I guess Bluestar and my dad did too. I looked at tawnypelt and he was about to be parishes and so was my friends. I took a big breath and yowled with anger. I felt Starclan giving me the power to fight a whole clan. My eyes turned completely white and I ran to Tawnypelt. I jumped in front of him and hissed. The cat jumped back. Tigerheart joined my side and scared of the cat. I saw Yellowfang running to Tawnypelt's side helping his wounds. I spotted Firepaw's dire pelt and ran to him. I grabbed him by the scruff and sling him away. He looked at me in fear. I slid under him and kicked him with my hind legs. I scratched his side and he got mad. He pounced at me and scratched onset me. He bit on to my back side and dug is claws in me. I kicked like crazy jntil his claw slid down and he was off. I punched on him and was about to rip his pelt out before I heard Bluestar yell, "Retreat!" I got of him and he limped away. I looked at my back and saw 8 slashes with blood oozing out of them. J felt me hind legs getting weak and I thanked Starclan and went back to camp. "You okay!?" Stonepaw asks in concern. I nod and he sees the cuts. My dad picks me up by the

scruff and brings me to Flametail. Flametail sees the cuts and runs deeper  inside to get Starclan knows what. He comes back with some cobwebs and softly puts them on my cuts. I his on how the cobwebs sting when the touch my skin. He finishes and Blackstar picks me back up by the scruff. He takes me to the Warriors Den and I see Stonepaw and Mistpaw in there. I was so confused until he went to high rock. "Let all cats old enough to catch the own prey come to high rock." Everybody came exempt me and the elders and the Kits. "I'm glad to say I'm making Stonepaw, Mistypaw, and Silverpaw warriors. Sadly Silverpaw can't attend it cause of her injuries. Stonepaw your Warrior name will be Stonefur. Mistypaw Your warrior name will be Mistyfoot. And Silverpaw your name will now be Silverpelt." Everybody started chanting our name and the kits ran up to me. "Excuse me?" A kit says in its tiny voice. I responded with a hum. "Are you Silverpelt?" The kit asks and I nod. It looks at me amazed and runs for to its friends saying "I got to meet Silverpelt!" I chuckled and started thinking about Firepaw. *'Did he get his Warrior name today?'* I push the thought away and curled up in my nest and drifted off to sleep.

# Chapter 3

Fireheart's Pov
I had just got my Warrior name but I felt like something was missing. I went to the Warriors' den to go to sleep while my wounds hilled. When I opened my eyes I was In that field again and Saw Silverpaw. I ran up to her and pounced in her. She jumped up and growled at me.  "I TOLD YOU NOT TO TELL!!!" She yelled at me. "I HAD NO CHOICE IF I DIDN'T TELL MY MEDICINE CAT WOULDV'E FOUND OUT!!" I yelled back. She became stiff. She went towards me and I became stiff. She rubbed her fur against me and we both purred. "I'm sorry" she apologized. "It's okay." I quietly said. "Did you get your Warrior name today?!?!" I asked jumping up. "Yeah!! mines Silverpelt!! What's yours?!" She asked/yelled "Mines Fireheart because apparently I'm apart of a prophecy." I said. "What prophecy" Silverpelt asked. "Only fire (something else I forgot)" I said and she gasped. I had a vision of a prophecy with fire "one night Fire and Darkness will come together that's when wars settle" She yowled with excitement. I smiled at how enthusiastic she was. "Wait come together as in....." I was saying but stopped. "Becoming Mates....." she finished. We both stoped talking then all of a sudden became extremely hot. "W-we might wanna get to know each other first!" She yelled out of embarrassment.

Silverpelt's Pov
Me and Fireheart decided to get to know each other first before seeing if we becoming mates. So after that we would see each other while sleeping. This happened for weeks. Until.....I was about to go to sleep when my dad called me to his den. I walked in and he looked serious. "Silverpelt I've seen you've been going to sleep a lot lately and been in a good me and I'm glad, but....." My dad said and  was about to continue but stopped "but?" I asked. "I had a meetup with the Thunderclan leader saying you've been hanging out with one of his warriors in your dreams." He said and I started worrying a lot. "I trust you to tell me the truth..... have you?" He asked. I gulped. "Yes..." I said and he scowled.. "I'm sorry I know your my daughter but I can not let this slide.... I'm kicking you out

the clan....." he said and my eyes widened I stepped back and ran out the den. I stood in the clan and all eyes showed Hatred to me except 4 of them. "If she's going..... We're going" Stonefur and Mistyfoot said and we left. "You guys didn't have to say that..." I said. " but we wanted too your out best friend! If it wasn't for you the whole clan would've been in trouble! " Mistyfoot said. I purred "I'm Glad I have you guys" I said. I walked and walked until I saw him.... Fireheart. I gasped and ran too him. "Did.... Did Thunderclan kick you out to?...." I asked. He nodded . I sighed and rubbed fur with him. "C'mon come with us" I said . He looked back and saw the others . He smiled and got up and walked with us. "so what now?" Stonefur asked. I hummed . Then I gasped. "I know what we should do... MAKE OUR OWN CLAN!" I yelled. The others started think I bit. " you know... That's not so bad of an idea! " Stonefur said. "Mhm! And I know just the place!" I yelled and we started running . We made it to the SPOT and the others gasped. It was like home but WAY bigger! "How did you find this place?!" They all ask. "Well I went out hunting and found this place time to time I started patching it up!" I said. We walked around and they all started cheering . "what will be called?" Stonefur said and we all went silent . I started thinking about our symbols.... Fire....Darkness....Stone....Mist.... "I GOT IT!!!" I Yelled and they ran to me. " we should be called Flairclan! " I yelled they cheered. "Wait who would be the Leader?" They started thinking . "You should Silverpelt!" " yeah you found this place! " "You also the one who came up with the name!" They said. I smiled . "Then it's Settled... though here's the thing..." I said they all tilted their heads. " we don't go on the Warrior Code! " I said they gasped. "W-why?" Mistyfoot asked. " think about it... Why go with the Warrior Code when Me and Fireheart already broke it? " I asked. They stood there. "Okay I'll go with it!" " Then my leader name will no longer be Silverpelt.... It'll be Silverlight! " I yelled and the others bowed down. "Wait but how will we get more members?" They asked . I smiled. "I was hoping you'd ask that. There are many cats in the outside world that are escaping and some loners that need a home!" I said. They offered gasped . "That could work... Loners I've faught were tough I needed help to defeat one!" Fireheart said. " well then imma say this Fireheart you'll be my deputy! " I said. "Stonefur and Mistyfoot you'll be my very first Warriors!" I said he nodded. " okay Fireheart you stay here with Stonefur. If any loners or outsiders

come in see if they'll join Mistyfoot you come with me were going to look for members and if they're injured you'll help them because who I know a little about herbs! " I said. They all nodded and me and Mistyfoot left on our journey.....
